people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today

because i knew you

Y'all need to slow down m'kay

dawndragon2029

yeah someone just said there crush was me, not that thats a bad thing but its really weird.

The part that I am dreading is the unavoidable fallout. The best way it could happen is if both people become inactive and forget about eachother.
